Car and truck toll changes

5 June 2009

A toll increase for cars and motorbikes (class 2 vehicles) and trucks (class 4 vehicles) on the M2 will take effect from 12am 1 July 2009 a spokesperson for the Hills M2 Motorway said today.

The toll for cars and motorbikes passing through the main toll plaza at North Ryde will change from \$4.40 to \$4.95.

The toll for cars and motorbikes using the Pennant Hills Road toll plaza will not change.

The spokesperson said the increase in the toll for cars was the first for more than two and a half years with the last increase occurring in October 2006.

The spokesperson said that the toll for trucks will also change at both the Pennant Hills and the main toll plazas.

The toll for trucks will change from \$6.30 to \$6.50 at Pennant Hills and from \$12.20 to \$12.60 at the main toll plaza.

The spokesperson said the increases were in accordance with the Project Deed between the Hills Motorway, the RTA and the NSW Government signed in 1994.
