Truck toll adjustment

Immediate Release

Friday, 3 June 2011

A toll increase for trucks on the Hills M2 will take effect from 12.00am on 1 July 2011, a spokesperson for Hills M2 Motorway said today.

The toll for trucks passing through the main toll plaza will change from \$14.80 to \$15.40.

The increase is in accordance with the Hills M2 Project Deed signed with the RTA in 1994. The rate of toll for trucks recognises the need for additional maintenance as a result of the wear and tear caused by heavy vehicles.

The toll for cars and motorbikes using the Main Toll Plaza at North Ryde, the tolls for all vehicles at Pennant Hills Road Toll Plaza are not scheduled to change.
