

Media Alert

IMMEDIATE RELEASE

7 JULY 2011

FILM & PHOTO OPPORTUNITY

Major Installation of Windsor Road Bridge Girders

WHAT	Installation of 20 girders (support beams) on Windsor Road Bridge by a 300 tonne crane
WHY	Windsor Road Bridge is being widened as part of the \$550 Hills M2 Upgrade
WHERE	Windsor Road Overbridge, Hills M2 Motorway
WHEN	During night works Thursday, 7 July - Friday, 8 July and Thursday 14 – Friday, 15 July
CONTACT	Juliana Stackpool 0400 059 982 Note: As the installation will take place in a constrained construction site, media must contact the project team to arrange for access to a suitable filming or photograph location

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. It is due for completion in early 2013.

“This work represents a key milestone in the \$550m Hills M2 Upgrade. It will take place over 4 nights and, weather permitting, from Thursday 7 July,” said a project spokesperson.

“These girders will support a widened Windsor Road bridge which allows for extra turn lanes and the provision of the new eastbound off-ramp and westbound on-ramp.”
