

Roadwork Alert

IMMEDIATE RELEASE

19 August 2011

Hills M2 Upgrade Roadworks and Lane Closures: 22 Aug – 4 Sept

The following table shows lane closures that will be in effect on the Hills M2 from Monday, 22 August until Sunday, 4 September 2011 to facilitate roadworks as part of the \$550 million Upgrade Project.

Works over the coming fortnight, weather permitting, include:

- niche excavation and rockbolting in Norfolk Tunnel
- pavement strengthening (cross-stitching)
- removal of scaffolding under Beecroft Rd bridge
- relocation of barriers and installation of temporary noise walls and traffic management signage
- works supporting the motorway control system

The same number of general lanes remains open to motorists during peak period travel periods as was the case before the upgrade.

There will also be lane closures and contra flow arrangements in the Norfolk Tunnel every night from Monday to Saturday for the life of the project.

“Motorists are reminded to plan their trip as work continues to upgrade the Hills M2 Motorway and changed speed limits are in place,” a project spokesperson said.

“The Hills M2 Motorway management apologise for the delays during construction and thank motorists for their patience.

“The project team will seek to minimise impacts; however, as the M2 Upgrade is the largest project undertaken on an operational motorway in New South Wales, delays can be expected over the two year construction period.”

Further information

For more information on the M2 Upgrade, visit www.hillsm2upgrade.com.au or contact 1800 196 266 or via enquiries@hillsm2upgrade.com.au.

For up to date traffic information contact the Transport Management Centre at livetrafficnsw.com.au or 132 701.

For up to date information on bus services contact 131 500 or your bus service provider: Hillsbus (02) 9890 0000 or Busways - (02) 9625 8900.
