

Roadwork Alert

IMMEDIATE RELEASE

10 October 2011

Hills M2 Upgrade Roadworks and Lane Closures: 10 – 23 Oct

The following table shows lane closures that will be in effect on the Hills M2 from Monday, 10 October until Sunday, 23 October 2011 to facilitate roadworks as part of the \$550 million Hills M2 Upgrade.

Works over the coming fortnight, weather permitting, include:

- installation of girders at Terrys Creek Bridge
- dismantling of tower crane at Darling Mills Creek Bridge
- pavement strengthening (cross-stitching)
- relocation of barriers and installation of temporary noise walls and traffic management signage
- works supporting the motorway control system

In addition, Christie Road Off-Ramp and Bridge at Macquarie Park will be temporarily closed from **8pm Saturday, 15 October to 8am Sunday, 16 October** to allow the bridge deck to be modified.

Traffic will not be able to exit the motorway at the Christie Road citybound off ramp or cross the Christie Road Bridge from Talavera Road during this work. An alternative route is provided via Lane Cove Road.

“Motorists are reminded to plan their trip as work continues to upgrade the Hills M2 Motorway and changed speed limits are in place,” a project spokesperson said.

“The Hills M2 Motorway management apologise for the delays during construction and thank motorists for their patience.

“The project team will seek to minimise impacts; however, as the Hills M2 Upgrade is the largest project undertaken on an operational motorway in New South Wales, delays can be expected over the two year construction period.”

Further information

For more information on the M2 Upgrade, visit www.hillsm2upgrade.com.au or contact 1800 196 266 or via enquiries@hillsm2upgrade.com.au.

For up to date traffic information contact the Transport Management Centre at livetraffic.com or 132 701.
